PROFILE

I am a dedicated B.Tech student with a passion for technology and a strong academic track record. Throughout my studies, I have acquired a solid foundation in engineering principles, which I have complemented with practical experience through hands-on projects. Fidelity, a company known for its innovation and commitment to excellence, aligns perfectly with my career goals. I am eager to bring my technical skills, analytical mindset, and enthusiasm for solving complex problems to contribute to Fidelity's success. I am excited about the opportunity to work in a dynamic and collaborative environment where I can continue to develop my skills and make a meaningful impact.
